### Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

### Cancellation of registration

If cancellation is received in writing at the IBA office by **26 October** fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA. We regret that no refunds can be made after this date. Registrations received after **26 October** will not be eligible for any refund of fees. Please note that the IBA will however offer a full refund if you are required to cancel your registration due to Covid related reasons; we will require written confirmation of your cancellation by the end of business on the first day of the conference.

---

### Travel arrangements and visas

Participants are responsible for making their own travel arrangements. It is recommended that you check your visa requirements with your local embassy or consulate. **We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your registration form and full payment of registration fees.**

**Please apply for your visa in good time.**

### Book with confidence

- The IBA will offer a full refund if you are required to cancel your registration due to Covid related reasons; we will require written confirmation of your cancellation by the end of business on the first day of the conference.
- If the IBA needs to reschedule the event, your registration will be automatically transferred to the new date and no additional fees will be charged. If this date is not convenient for a delegate, a refund of the cost of the conference place will be available on request to the IBA.
- If the IBA is unable to reschedule the conference within 12 months of the original scheduled date, a full refund of the cost of the conference place will automatically be made to all delegates.
- Please note that the IBA will not provide refunds for any other costs incurred including any travel costs.

Please note, these terms are subject to any more restrictive or different local requirements, and may be altered and amended from time to time to reflect any changes to restrictions or government requirements.

---

### No deductions or withholdings

All fees payable to us by you in accordance with the terms contained in this 'Information' section shall be paid free and clear of all deductions or withholdings whatsoever.

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this 'Information' section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have been had no such deductions or withholdings been required.

If you are a local practitioner and you want to register making a local payment please visit <https://iba.nbasbl.org>.

Should you have difficulties in obtaining your visa and are not able to attend the Conference this cancellation policy will still apply.

Upon submission of your completed Conference registration form to the IBA you are considered 'registered' pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Provided you have cancelled your registration to attend an IBA Conference in accordance with the terms of the 'cancellation of registration' clause included in the 'Information' section of the relevant Conference programme, you must then confirm to us in writing at the IBA office as soon as possible, but in no event later than one year (12 calendar months) from the date of any such Conference, all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant Conference.

## Disabled access

The Federal Palace Hotel & Casino is wheelchair accessible. Please notify us if you require special assistance.

## Unauthorised accommodation agents

It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering 'assistance' with registration and hotel bookings.

They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition.

The IBA is not using any travel or accommodation agents for this conference. To make your reservation please contact the hotel directly. This is the only official accommodation booking system.

## Photography and filming

Certain sessions and/or social functions may be photographed and/or filmed and some of this content may be used for future IBA marketing materials, member communications, products or services. Should you have any concerns with regard to this, or do not wish to be featured in any of these materials please contact the IBA Marketing Department at [sao.paulo@int-bar.org](mailto:sao.paulo@int-bar.org).

## Dates to remember

**26 October** the date by which your registration form and payment must be received at the IBA office if you are taking advantage of the early registration fee and is the date by which any cancellation must be received at the IBA office in order for fees to be refunded, less a 25 percent administration charge. No refunds can be made after this date.

**18 November** is the date by which your registration form and payment must be received at the IBA office in order for your name and company to be included in the list of participants, which will be made available seven days prior to the conference. After this date no registration forms can be accepted at the IBA office – please therefore register at the conference.

A Certificate of Attendance is available to Conference delegates on request. Please ask at the IBA Conference registration desk for information on how to obtain the certificate.

the global voice of the legal profession

The International Bar Association (IBA), established in 1947, is the world's leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to date information, enabling them to better represent their clients' interests.

Through its various committees, fora and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

## Antitrust Section Overview

The Antitrust Section provides an international forum for thought leadership with respect to antitrust law developments and the profession through submissions to competition agencies, training programs/missions, developing the law through our conferences, publications, and interaction with antitrust enforcement authorities and the profession.

In addition, there is a strong commitment to bring together international practitioners to facilitate closer working relationships. The Section is increasingly relied upon by government officials and members of the private sector for its expertise and practical input into antitrust developments, including through its Working Group submissions.

## African Regional Forum Overview

These are exciting times for our Forum! With the primary objective of the enhancement of the value and significance of the Forum to all members globally, we have established various Working Groups which function alongside a panel of distinguished Advisory Board members.

The problems facing African lawyers are different from those affecting lawyers in other regions. To this end, the African Regional Forum was created to identify and address these problems.
